

**New York State Department of State, 99 Washington Ave, Albany, NY 12231**  
**Area Development Grant Application**  
**SUSTAINABILITY & PHASED EFFORT QUESTIONNAIRE**

**Project Name:**

**Applicant Name:**

A. Does the grant require the acquisition of equipment or renovation / construction of facilities?

\_\_\_\_\_YES                      \_\_\_\_\_NO

If the answer to A is YES, describe briefly from what sources will operations, maintenance, and eventual replacement costs for buildings, equipment, etc. which have been acquired, built, or renovated under this grant be paid?

B. Is this project part of a phased development effort?

\_\_\_\_\_YES                      \_\_\_\_\_NO

(B.1): If the answer to B is YES, describe briefly all other phases. Indicate whether they are complete, underway, or planned. For phases that are complete or underway, indicate the specific sources of all funding. For planned future phases, indicate the planned sources of funding. Give approximate total costs and anticipated ARC funding for each phase.

(B.2): If the answer to B is YES, what will be the impact on this project if other phases are not completed? To what extent is the implementation of future phases essential for the programmatic success and financial self-sufficiency of this phase of the project?
